

Business Sponsorship Opportunities

The Master Kris Foundation in Brookfield, CT is funded through fundraisers and donations. We are the non-profit arm of World Champion Taekwondo in Brookfield, CT.

We are seeking to offer more scholarship opportunities to low-income families, expand our Be a Buddy Not a Bully campaign, and offer a Taekwondo College Scholarship for students who demonstrate extraordinary excellence in academics and martial arts. Our demonstration team campaigns in the local communities for our “Be a Buddy, Not a Bully” program where we encourage children to find the courage & confidence to stand against bullying. With your help, we can grow our community from the ground up, by developing a community where kids are taught kindness & respect from a very early age.

Our Mission Statement: The Master Kris Foundation provides a safe, character-building program for children & adults in our community. Courtesy, Respect, Integrity, Self-Control, Perseverance, and Determination are the cornerstones of everything we teach. In partnership with parents, teachers, and the community, students become leaders, develop internationally recognized skills, and exemplify respect in everything they do.

How would a small business sponsorship with the Master Kris Foundation benefit your company?

- Benefit from exposure to the thousands of students, relatives, and fans who support & attend World Champion Taekwondo.
- Support the education & training of hundreds of children who will one day be active members of this community.
